Student Name: _____

Date: _____

Parent/Guardian Name: _____

You are going to teach your parent/guardian what you have learned about note reading. Then, your parent/guardian is going to write a short paragraph reflecting on what you have told them. You need to do this worksheet with your parent/guardian.

On the assigned song for your instrument:

- Fill in the following note names and finger number and string name.
- Show your parent/guardian how you figure out the note names. (Lines and spaces)
- Tell them how the note names become a finger number on a certain string.

- Write in the counting for this rhythm.
- Show your parents how to play or clap the rhythm. Be sure to show them what you have to do to “play” a rest.

Tell your parents all of the things you did to learn these skills. Write your answers here:

Parents/Guardians – Please write a short paragraph to let me know what you think is interesting about what your son or daughter is doing to learn note reading skills. Include anything you would like your son or daughter to get extra help learning.

Extra Credit –

Tell and show your parents how you note read on one of the songs in the Beginning song book.
