

How hard you try and how long you practice makes a big difference!

Write the numbers for EFFORT and ACHIEVEMENT for each assignment everyday that you practice.

Rubric for EFFORT

4	I worked on the music until I learned it or improved it significantly. I kept working even if I had trouble and couldn't play it really well at first. I used my troubles playing the music as a chance to learn more. I worked on more than just the notes – I paid attention to my posture, position, tone and intonation.
3	I worked on the music until I learned it. I kept working even if I had trouble and couldn't play it really well at first.
2	I tried to play the music but I stopped working when I had problems.
